### **Term Time Funding**

Our term dates run alongside those of neighbouring schools, and we are open for 190 days term time days during the academic year. Funding covers 38 weeks per academic year but there may be occasions where funding does not fully cover the academic year due to varying attendance patterns (as there may be 40 Tuesdays during the academic year but only 36 Mondays). If at the end of an academic year there are hours that would not be covered by the funding you will be notified and have the option to not attend for those hours or pay the rate as detailed above for those hours.

### **Attending all year and accessing the funding**

When attending all year there is also the option to stretch the funding across the full year, we allocate this as 11/22 hours per week.

### **Other charges**

PreSchool Adventure Club (optional) is a £10.00 per term charge. The children are taken out in small groups into the wider community for learning experiences, that may be a trip to the library to borrow some books. A trip to a supermarket to look at the seasonal goods, or buy ingredients for a particular activity... Pumpkins for Halloween, a trip to the woods collecting natural resources etc.

Permanent Cancellation of Sessions require 4 weeks written notice.

Additional Ad Hoc sessions are charged at the fee paying rate and also carry a charge of an additional £.50p
